General Education Guide

The CUI General Education (GE) requirement does not have to be completed prior to transfer. CUI does, however, accept the following in place of all of the CUI GE requirements except the Enduring Questions & Ideas (Q&I) Core and Theology course requirements (*one general education course in theology is required for each year of attendance at Concordia*):

- IGETC (Intersegmental General Education Transfer Curriculum)
- CSU (California State University General Education Breadth Requirements)
- ADT (Associate Degree for Transfer)
- AA/AS (Associate of Arts/Science degrees which meet the CSU General Education Breadth Requirement)

For a complete list of Q&I Core requirements for transfer students see:

<http://catalog.cui.edu/undergraduate/academic-information/general-education-requirements/> Also view Transfer Policies/Requirements on the website at: <https://www.cui.edu/studentlife/registrar/undergraduate-transfer-credits>

Students who plan to enter CUI with 30-59 transferable units *without* completing GE prior to transfer as noted above may take the courses below in partial fulfillment of the CUI requirement. Please note that additional courses may be approved upon petition.

Students are strongly encouraged to review major requirements prior to selecting GE courses to identify courses that may apply to both GE and major prerequisites/requirements.
