A MESSAGE FROM THE PROVOST

"Concordia University Irvine serves our students, colleagues, and community by being Faithfully Relevant." This core conviction reflects Concordia's commitment to academics that is "rooted in the Lutheran [Christian] intellectual tradition" and "proactively addresses the contemporary needs of the church and the world." Gathered here are the scholarly and creative achievements of Concordia's faculty, staff, and students from 2023. May God use these publications, presentations, productions, and other academic accomplishments to serve the current and enduring needs of our neighbors in faithful and relevant ways.

Soli Deo Gloria
Scott Ashmon
