  - a. **Issues:** Should Senate continue to do this? Yes, it would be helpful to do this 2 times a semester. Should there be a training session? Yes during retreat, but don't spend too much time on it. Have people do different areas each time. Will be trying to make it to a commuter event.
    - i. **Fitness Center:** It is on the administrations radar. They are trying to see if students would like one put in Sigma.
    - ii. **Alcohol on Campus:** This won't change. Try and keep your responses to the students that have this complaint.
    - iii. **Student Leadership and Social Media:** Most student leadership groups already have a social media page. Just show them where it is.
    - iv. **Clearly defining what different leadership groups are:** We probably need to change the way we are advertising.
    - v. **Mud in the Amphitheatre:** Will be fixed this summer.
