Why CUI?

“Christian Values, Academic Excellence.” Concordia prides itself on the excellence and quality of our education that is found in our small class size and our faculty’s personal approach to mentorship, while at the same time upholding an integrity and set of Christian values that is unparalleled. Students are part of a family here, not an institution. With 75% of our students landing a full-time job within 3 months of graduating it is no wonder that the U.S. News & World Report ranked Concordia University Irvine among the best regional liberal arts colleges in the west, with U.S. News also describing us as a “Best Value” among these schools. Come and see what the ‘Concordia Experience’ is all about!

Location

Concordia University Irvine is located in the heart of Orange County, one of the most attractive and fastest growing areas in the nation and minutes away from the beaches, shops and outdoor activities. Everything right at your fingertips! Perhaps most attractive is the duality of the campus location, being within 40 miles of LA while being secluded and tucked away in rolling green hillsides overlooking the city of Irvine.
