CONCORDIA CENTER
FOR PUBLIC POLICY

This is the Inaugural event of The Concordia Center of Public Policy, a new forum to promote civil dialogue, encourage understanding and undertake research on the important public policy issues facing Orange County governments and residents. The Center is non-partisan and non-sectarian.

2011 Chairman of the Board of Supervisors Bill Campbell will present a comprehensive review of the status of major County initiatives, the County's fiscal health and the steps being taken by the Board to respond to our current economic condition.
