

County of Orange Health Care Agency
Alcohol & Drug Education & Prevention Team (ADEPT)
Automobile Club of Southern California

January 18, 2013

We would like to personally invite you to attend the upcoming Driving Under the Influence (DUI) Summit to be held on Wednesday, February 27, 2013 from 8 a.m. – 5 p.m. at Concordia University in Irvine. This Summit will be moderated by Newport Beach Mayor Keith Curry, Director of the Center for Public Policy at Concordia University.

The DUI Summit will be hosted by the County of Orange in conjunction with the DUI Task Force. The DUI Task Force, which consists of several entities including Mothers Against Drunk Driving (MADD), the County of Orange Health Care Agency (HCA), as well as the Automobile Club of Southern California (AAA), has come together to host this informative event. The goal of the 2013 DUI Summit is to bring many of the local policy makers, elected officials, and law enforcement together to collaborate on DUI prevention techniques. In addition, representatives from The California Office of Traffic Safety (OTS), the National Highway Traffic Safety Administration (NHTSA), the Orange County District Attorney's Office, and other DUI field experts will be integrated into the day's program.

The Summit will provide a forum for local leaders and policy makers to come together in order to start discussing Orange County Best Practices for DUI Prevention. After the Summit, city and county leaders will have an opportunity to bring many of the ideas and options discussed regarding DUI prevention back to their cities or boards for possible adoption of DUI Best Practices, and for possible implementation of some of the successful prevention techniques. Furthermore, OTS will be presenting data which will rank cities in the area of DUI. Starting in 2014, the County as a whole will be included in the Community Indicators' Report as to where they stand with alcohol and driving related numbers.

The DUI Task Force recognizes and appreciates all of the efforts that have been made at the city and county levels in the fight against DUI in Orange County thus far. From check points and saturation patrols, media campaigns, Responsible Beverage Service programs, and Social Host Ordinances, the efforts of you and your local entities are without a doubt an integral part in the fight against DUI.

Once again, we are hopeful that you will be able to attend and participate in the February 27th DUI Summit. Please find attached a detailed flyer regarding the DUI Summit. You may RSVP to this event by going on-line to www.ocduitaskforce.org. If we can answer any additional questions, please feel free to contact Carrie O'Malley, Policy Advisor for Supervisor Todd Spitzer, at Carrie.Omalley@ocgov.com.

Most Sincerely,

Todd Spitzer
Orange County Supervisor
Third District

The Orange County DUI Task Force, established in 2009, is a coalition of community groups and agencies concerned about the impact alcohol and/or drug impaired driving has on Orange County; and its membership has representation from:

- Alcohol Retailers
- Community Based Organizations
- Education (K-12 and Post Secondary)
- Law Enforcement
- Local Government
- Traffic Safety

2013 DUI SUMMIT
