Three different wines are offered to fill your wine cellar or enjoy now:

- **2005 DARE (Cabernet Franc)**  
This wine has the color of beautiful cherry red with aromas of red berries, plums, oak and sweet spices. After opening, dark fruits, smoke and peppery notes develop in the glass. On the palate the wine shows enticing flavors of ripe black cherries and strawberries supported by velvety tannins. Fully integrated oak flavors and a well defined mid-palate. Hints of tobacco, vanilla and caramel. Drink and enjoy now.
- **2005 DARE (Cabernet Sauvignon)**  
This wine emits concentrated aromas of ripe black cherry, dark currant, cassis, tobacco and cedar notes with faint hints of caramel. On the mid-palate, the vibrant tannins and well-integrated oak flavors dance over the taste buds. Firm tannins grace the finish. This is to be enjoyed young and is ready to be drunk now.
- **2006 VIADER (Cabernet Blend)**  
This wine is inviting and delicate to the palate with deep purple color and rich bouquet lavender, Indian spices, bittersweet chocolate and dense dark red fruits. (It is a blend of Cabernet Sauvignon and Franc.) Notes of ripe figs, plum and cigar wrap are the main expressions of this wine. With some aeration in the glass, 10-15 minutes, the wine offers floral notes, lavender and rich spices. This wine has a commanding presence upon opening and requires at least 5 to 7 years and over an hour of decanting, unveiling its complexity and concentration.
