In his new book, *God Is Alive and Well*, Dr. Frank Newport, Gallup Editor-in-Chief, finds that religion is as powerful and influential as it's ever been in America. Have lunch with hundreds of Christian business owners and leaders as Dr. Newport shares his insights from more than a million interviews Gallup has conducted since 2008 – revealing just how powerfully intertwined religion is with every aspect of society. Book may be purchased with advance registration or at the event.
