WELCOME TO HOUSING

The Housing (Residential Education and Services) department at Concordia University aspires to work within the mission of the university to meet the needs of students in a holistic manner. We want to empower you to make the most of your educational experience by supporting you and offering opportunities for you to engage in learning, service, and leadership.

The college years are full of many challenges and needs. As a Residential Education department one of the most basic needs we work to meet is that of providing a healthy and safe place for students to live. But living on campus at Concordia is more than just a place to lay your head at night. Our primary purpose is to assist students in their personal and communal growth and development. This goal is accomplished through a variety of avenues. The Resident Assistants and Professional staff members are here to serve our students, to help you find connecting points to yourself, others, the University, and the world. It is our desire for every student to find their unique and communal place here at Concordia University.

What you take away from the time you spend here is up to you. We encourage you to participate in your hall and building activities. We also encourage you to connect to the people you live around and to the University community as a whole. We can provide the opportunities but your engagement with the community is entirely up to you. Make the most of it.

We are glad to have you here!

MOVING IN & GETTING SETTLED

MOVE-IN DATES AND TIMES

The residence halls will open for new student move-in on Sunday, August 23, 2009. Check-in will occur in Sigma Square (located in the center of the Sigma Residence Hall) from 8:00am to 12:00pm and 1:00pm to 3:00pm.

The residence halls open for returning students on Tuesday, August 25, 2009. Check-in will occur in Sigma Square (located in the center of the Sigma Residence Hall) from 8:00am to 12:00pm and 1:00pm to 3:00pm.

If you are a returning student, please check-in according to the following schedule by the first letter of your last name:

• A-G: 8:00am – 10:00am
• H-N: 10:00am – 12:00pm
• O-Z: 1:00pm – 3:00pm
CHECK IN PROCEDURES FOR NEW RESIDENTS

First, complete your WOW check-in and Clearance. WOW check-in will be located on the CU Center Patio.

Once you complete Clearance, visit the Housing table on the CU Center Patio to get your housing assignment and an escort down to Sigma Square, one of our residence hall lounges where you will pick up your key, meet an RA or two, and be shown where your new home is.

FILLING OUT A UNIT CONDITION FORM (UCF)

When you check in you will receive a Unit Condition Form (UCF). Take this form to your room and thoroughly fill it out, listing any and all damages you find in your room. When you check out of your room, a staff member will go through your housing assignment using your UCF to check what damages are new.

Remember that you and your roommate/suitemates share fiscal responsibility for all damages in your housing assignment. So, make sure your roommate/suitemate(s) keep the unit in good shape.

After you fill out the UCF, turn it in to the Office of Residential Education and Services. It must be back within 48 hours or there is a $25 fine. After 96 hours we won’t accept it and you’ll be charged for all damages in your room at the end of the year.
DECORATING YOUR HOUSING ASSIGNMENT

We want you to make your on-campus assignment feel like home. At the same time, we have to limit what we allow in the residence halls in order to keep the in the best shape possible for the people who will live there after you.

Basically, we have five rules.

1) No using nail, screws, etc. Anything that creates a hole larger than a pushpin is not allowed.
2) No painting or wallpapering your unit.
3) No violations of fire safety policies.
4) No putting tape on painted surfaces.
5) No hanging anything from the ceiling or sprinkler heads (if you do, you may flood your room).

In our culture, many students have never had to share a room. In light of this and other factors, living with a roommate can be a challenge. At the same time, it is a one of a kind opportunity to mature and to possibly make a lifetime friend.

Here are some tips to having successful roommate relationships.

1) COMMUNICATE

Get to know your roommate. You never know what you’ll find out and the little things can help you out. The more we know and understand each other, the more easily we can live together in harmony.

2) ESTABLISH HOUSE RULES

After discussing values and preferences, establish some ground rules by which you will live together. Some common topics on which you may want to reach mutual agreement include room cleanliness, borrowing each other’s belongings, study time, visitation rights and so on.

Write your agreements down together in the beginning and it will help in resolving problems that may develop later. Your RA will meet with you and your roommates at the beginning of the year and go over “The Roommate Agreement Form” which will help you structure your discussion.

3) DON’T BRUSH THINGS UNDER THE RUG

One of the most common temptations in community living is to not address problems when they first start. Because we don’t want to confront our roommates, we let things slide.
The problem is, that troubling behaviors usually don’t stop unless addressed. Address problems when they start, before you become so frustrated with the situation that you can’t stand being in your home.

4) ASK FOR HELP

We are here to help! If you are having roommate problems and you are having difficulty finding a mutually agreeable solution, contact your RA. They can help resolve the situation and/or help you connect with other resources on campus to address the situation.

ROOMMATE RIGHTS

Each person has the following rights as a roommate:

1. To read, study, and sleep in the room with as little disturbance as possible.
2. To have belongings which are not used by anyone else.
3. To live in a clean and orderly room.
4. To enter the room whenever one wants unless both parties agree upon other provisions.
5. To have guests, provided they respect the rights of the roommate.
6. To be free of physical and emotional harassment.
7. To speak openly.
8. To be treated with consideration.
9. To be free of visitation violations.
10. To be free of cohabitation violations.
ON-CAMPUS DINING OPTIONS

You will also need your ID card to enter the cafeteria and to pay for things in Eagle Rock and Emendare. Slide your ID card in the cafeteria to use your meal plan. Flex dollars are best used in Eagle Rock and Emendare. Flex dollars are basically cash for meals. *Flex dollars only apply to meal services.*

GRIMM STUDENT UNION CAFETERIA

OTHER THINGS THAT ARE GOOD TO KNOW

LAUNDRY

To do laundry, make sure there is cash on your card. The laundry machines all run on the smart cards. To wash your clothes it costs $1. To dry your clothes it costs $0.75. It takes about half an hour to wash your clothes and 45 minutes to dry them. You don’t need to sit in the laundry room and watch your clothes. But, make sure you move your clothes in a timely fashion.

MAINTENANCE REQUESTS

For maintenance requests please call Facility Services directly at (949) 854-8002 x1530. When you call, remember to:

- Clearly indicate where you live (include your side or bedroom location).
- Provide a detailed description of the problem.
- Leave a number where you can be reached. Make sure to say it slowly if leaving a message.

Please allow 2-3 days for your request to be completed. If it is not taken care of within 2-3 days please contact RES at (949) 854-8002 x1498 or visit our office in upstairs Sigma Square.

PARKING PERMITS

All student vehicles must be registered with the Concordia University Department of Campus Safety. Campus Safety requires all applicants to provide a copy of their driver’s license, current vehicle registration and current automobile insurance policy before obtaining a decal. Students must register their vehicles with Concordia within 5 business days of first arrival on campus.
Parking decals are vehicle specific and cannot be swapped among vehicles. If a decal is damaged or destroyed, a replacement must be obtained for $50.00. All applicants will be charged $50.00 for any additional decals. Fee may be waived for extenuating circumstances including but not limited to the loss of a decal due to theft or vehicle damage.

Resident and Commuter decals are only valid in general parking areas and do permit parking in 15-minute Loading Zone, Faculty/Staff Stalls, Assistant Director (AD) Reserved Stalls, Visitor Stalls, Red Zones, and Handicapped spaces.

PROTECTING YOUR PROPERTY

Concordia does not keep each room under constant surveillance. We ask that you recognize that theft, loss and damage of personal property are possible.

The best protection against theft and vandalism is to keep your room locked. If you are a victim of theft or vandalism, or if you observe suspicious behavior, file a report with the Campus Safety immediately. We cannot help resolve a case if we are unaware that it has occurred!

Concordia is not responsible for the theft, loss or vandalism of personal property. **We recommend that students insure their belongings either through a comprehensive policy owned by parents or through a renter’s policy obtained through your insurance agent.**
SENDING AND RECEIVING MAIL

Your on-campus mailing address is pretty simple:

[Your Name]
1530 Concordia West
Irvine, CA 92612

Go to the Mail and Copy Center Room (Grimm Student Union, lower floor, next to the Wellness Center) to find out your mailbox number and get your lock combination. You do not need people to put your mailbox number on your mail for you to receive mail.

YOUR STUDENT ID CARD

Your ID is many things, including your meal card. Carry your ID card at all times. To obtain an ID card, visit the Office of Campus Safety (Admin 120). If you break, or wear out your ID card you can have it replaced free of charge. If you lose your ID card it costs $25 to replace it.

**Putting Cash on Your Card**

You will need to put cash on your ID card to do laundry, buy stamps, make copies, and other things in the Mail and Copy Center and at the library. There are three machines that can do this. One is in front of Sigma by the vending machines; another is in the Student Union by the bathrooms; the last is in the library at the front counter. **Please note that money added to your card in this way is not the same as ‘flex dollars’ and cannot be used for meals.**
ON-CAMPUS AMENITIES

Upper and Lower Quads have free cable built in. The cable hook-up is located in the living room area. There is also a big-screen T.V. with cable access located in Sigma Square.

EAGLES E-MAIL

Residents are responsible to check their Eagles e-mail accounts on a regular basis. Eagles e-mail accounts will be the primary means of communication between the Office of Residential Education and Services and residential students. Students will be held responsible for all information sent to their Eagles e-mail addresses.

If you need your password or ID, contact ITS.

FITNESS CENTER

The Fitness Center (located on the lower floor of the gymnasium) has a variety of cardio and weight lifting equipment. It is open for general student use Monday through Friday from 8:00am–11:00am and 6:00pm-10:00pm. Additional weekend hours may be available.

A variety of copy and mail services are available to students in the Mail and Copy Center (located on the first floor of the Grimm Student Union). You can reach the Center at (949) 854-8002 x1391.

POOL AND PING PONG EQUIPMENT

Residential Education and Services has pool sets and ping pong paddles and balls. Visit the office to check out equipment. We will take your ID card. You will get your ID back when you return the equipment, which is due back by 5pm the same day it is checked out.

STUDY ROOMS

There are study rooms available in both residence halls. Rho has 6 study rooms in the upstairs part of the RPC. Sigma has a large study in the lower floor of Sigma Square.

TELEPHONES

Each room has a telephone hook-up, but residents are required to bring their own phone* and answering machine. Each room has an extension and phone number. The RES Office can give you your room phone number/extension. The last 4 digits of the phone number are your room extension.

People can call into your room from off campus using the phone number. Inside campus, only your four digit extension is needed.

You may call any 949 telephone number outside of campus by dialing 7 and then the number. (ex: 7-555-5555).
Please contact IT for information regarding using an in-room telephone for lost distance calls (charges will apply).

*Please do not use 2.4 GHz phones. They interrupt the wireless internet signal and may cause problems. 5.8 GHz is okay.

**WIRELESS INTERNET (DORMNET)**

Wireless internet access is provided in all four of Concordia’s residence halls. Most computers will connect to the wireless network automatically. For those who don’t, try connecting to the network called ‘dormnet’. Please note that you will have to have a wireless network adapter installed on your computer to utilize the wireless network.

Contact the ITS Department at x2487 or at ITS@cui.edu for recommendations on network adapters.

**HOUSING POLICIES**

**Important Note:** The following policy information is a supplement to the Housing and License Agreement and the Concordia University Student Handbook.

The Office of Residential Education and Services reserves the right to supplement, amend, elaborate or clarify any portion of this Housing Handbook through the issuance of memoranda, rules, regulations, or directives during the period of occupancy defined by the 2009-2010 Housing and License Agreement.

Residents are responsible to know and abide by all policies listed below as well as those located in other University documents (including, but not limited to those listed above). **Failure to abide by University policies may result in fines and/or other consequences.**
AIR CONDITIONING UNITS

Air conditioning units are allowed so long as they do not require any modification to windows and/or screens and do not damage university property in any way. Air conditioning units must remain inside at all times.

BED ADJUSTMENTS

Students are not allowed to bunk or loft their beds. If possible, the University will take requests from students for bed lofting and bunking at the beginning of each semester. Bunking and lofting requests are accompanied by a $25 service charge.

You can adjust the height of your bed (different from lofting/bunking) by yourself, but keep in mind your personal safety in doing so. You may also request facilities to adjust your bed for you during the bed adjustment sign-up period of each semester. The sign-up period for bed adjustments will be as early as possible each semester.

DECORATIONS

We want you to make your on-campus assignment feel like home. At the same time, we have to limit what we allow in the residence halls in order to keep the in the best shape possible for the people who will live there after you.

Basically, we have five rules.

1) No using nail, screws, etc. Anything that creates a hole larger than a pushpin is not allowed.
2) No painting or wallpapering your unit.
3) No violations of fire safety policies.
4) No putting tape on painted surfaces.

No hanging anything from the ceiling or sprinkler heads (if you do, you may flood your room).
FIRE SAFETY

The following items are not allowed on-campus:

- Flammable materials, which includes but is not limited to fireworks, kerosene, explosives, natural gas, combustibles, propane, gasoline, lighter fluid, or any other highly flammable chemicals.
- Open flame objects which include but are not limited to candles, oil lamps, and incense. Candles are not allowed even as decorations.
- Extension cords without power surge protector.
- Unapproved appliances which include but are not limited to hot plates, George Foreman Grills®, BBQ’s, broilers, toaster ovens, or space heaters. This includes any appliance with an exposed heating element.

The following additional rules also apply:

- Residents may not arrange their rooms in any way the puts furniture or belongings within 4 inches of the sides of a heater unit, 4 feet in front of a heater unit, or anywhere above a heater unit.
- Residents may not place anything outside of their units which obstructs the walkways in any way.

Violations of fire safety rules may result in fines distributed amongst all residents of a housing assignment and/or judicial sanctions.

FURNITURE/ROOM SET-UP

Over the summer the residence hall rooms have been set up in such a way to meet certain requirements to protect the University from liability and to promote the safety of students and their belongings.
Rooms have been arranged to meet fire regulations. If furniture is moved, it must meet regulations. If you move furniture in your room and do not follow these guidelines (see Combustible Materials/Fire Safety entry) you are taking liability on yourself if a fire occurs. All residents are required to move the furniture back to its original position prior to moving out of their housing assignment.

Residents are not allowed to move furniture in or out of housing assignments. Residents may not exchange furniture. Violation of these policies will result in judicial action and fines.

If you have extra furniture, call RES at x1498 or visit our office, located in upstairs Sigma Square. We can have it removed for you.

HEALTH AND SAFETY CHECKS

To properly maintain residential spaces and ensure a sanitary living environment, the University staff will perform Health and Safety Checks. Health and Safety Checks will be held about once a month. During the check your RA will look for things such as disconnected fire alarms, broken windows, torn screens, and other damages. Keep in mind that you can report any damages to maintenance yourself and have them fixed. Residents are financially responsible for any and all damages found in their assignments.

In Rho/Sigma, one resident per side of the suite must be present during a Health and Safety Check. If no person is present for a side, that side fails the check.

In Upper and Lower Quads, one resident per apartment must be present during a Health and Safety Check. If no person is present for a side, that side fails the check.
Failing a Health and Safety Check may result in a $40 fine per failure, which is distributed equally among all occupants.

**IF YOU GET LOCKED OUT OF YOUR ROOM**

If you lock yourself out of your housing assignment between the posted business hours of Residential Education and Services, we will loan you a temporary key for 15 minutes so you can let yourself back in. Keys not returned within 15 minutes will result in a non-refundable $75 lost key charge.

After normal business hours, call Campus Safety at (949) 854-6718 and they will assist you. You will need to show them a picture ID to demonstrate that you are a resident of the unit you are requesting access to.

Removing or damaging screens/windows to get into a lock unit carries a fine of $40, distributed equally among all residents when individual responsibility is not determined.

**LOST KEYS**

Report any lost keys to the Office of Residential Education and Services as soon as possible to prevent possible theft. Residents who lose keys will be charged a $75 fine for the rekey which will be ordered for your housing assignment to ensure you and your roommate/suitemates security.

A sign will be posted on your door when your housing assignment has been rekeyed. All residents must retrieve their new keys within 2 business days, after which there is a $5 per day charge until the key is retrieved.

If you need to pick up your key after office hours, you may call the RA helpline at (949) 307-6216 to obtain your key.
REMOVING/DAMAGING SCREENS

Don’t damage or remove your screens. Doing so will result in a $75 damage charge to replace the screen.

RIGHT OF ENTRY

University officials may enter housing assignments for Health and Safety Checks, facility repairs and checks, or for “reasonable cause” such as a medical emergency or a probable violation of University policies.

Students are not allowed to add personal locks or change locks to any doors within their assigned space.

ROOF ACCESS

Residents are not allowed on the roof of the residence halls at any time.

TRASH

If trash is found in the hallway in front of your housing assignment (side of suite in Rho/Sigma) a $20 fine will be distributed amongst all residents of the apartment or side of suite.

WATER USE

No water fights (balloons, etc.) in courtyards, rooms or porches of any of the residence halls. Inflatable pools are not allowed inside of the residence halls.
HOUSING PROCEDURES

CHANGING ASSIGNMENTS

Beginning September 14, 2009 (Fall Semester) and February 8, 2010 (Spring Semester), the Office of Residential Education and Services considers requests for housing assignment relocations.

After November 30, 2009 (Fall) or April 23, 2010 (Spring) students are no longer able to change housing assignments for the given semester. If you are interested in changing rooms, you will need to complete a Change of Housing Request Form (available in the RES Office) and follow the process indicated on the form.

Students may not move without receiving permission from the University. Students who move rooms without permission will be fined $300 for each and every move.

HOUSING DURING ACADEMIC BREAKS

Standard housing rates do not include housing for Thanksgiving, Christmas, and Spring Break.

Students desiring on-campus housing during these breaks have to make individual arrangements with the Office of Residential Education and Services and pay associated costs ($30 per day). A minimum stay may be required.
HOUSING LICENSE APPEAL PROCESS

Concordia University Irvine requires all full time undergraduate students who will be 21 or younger as of Saturday, August 23, 2009 to live in on-campus housing.

After occupancy begins, the University will consider a request from a resident to release him/her from this Agreement if licensee encounters a severe financial, physical, or emotional hardship which is exacerbated by living on campus and cannot be remedied by alternative means. Licensees must submit a formal request in writing to the Office of Residential Education with supporting documentation for consideration. The University reviews all requests on a bi-weekly basis and may grant or deny any and all requests. If a request is granted, licensee will be charged a $250 License Agreement Cancellation Fee. Students released will also continue to be billed for housing/meal plan according to the University’s billing schedule until the date of check out.

Students who have previously been denied twice by the housing committee to live off-campus for the 2009-2010 academic year are not eligible to re-submit their appeal again during the 2009-2010 academic year.

For additional information, pick up an “Cancellation of License Agreement Request Form” from the Office of Residential Education and Services.
MEAL PLAN APPEAL

All resident students are required to purchase a University meal plan. Resident Freshman and student athletes (regardless of class standing) are required to purchase a 14 meals a week plan or greater. All other students are required to purchase a 10 meals a week plan or greater.

Any student who lives in a residence hall and does not sign up for a meal plan will automatically be signed up for the minimum requirement and billed accordingly. For additional information regarding meal plan options and prices, please refer to the Meal Plan Contract.

Request forms to reduce or eliminate the meal plan requirement are available in the Office of University Services. Requests must be submitted to the Office of University Services prior to Friday, September 11, 2009 (Fall Semester) or Wednesday, February 3, 2010 (Spring Semester) for consideration. The University may grant or deny any request. Additional information is available on the request form.

Meal plan service for the fall semester begins with dinner on Tuesday, August 25, 2009 and ends with dinner on Friday, December 18, 2009. Meal plan service for the spring semester begins with breakfast on Tuesday, January 19, 2010 and ends with dinner on Thursday, May 13, 2009.
