Deloras Jones
RN Scholarship Program

sponsored by KAISER PERMANENTE

Kaiser Permanente seeks to enhance and support the nursing profession by providing nursing students with financial assistance to complete their nursing education. In this spirit, the purpose of our Registered Nurse Scholarship Program is to enable students to pursue their education, to promote nursing as a career, and to increase awareness of Kaiser Permanente as an employer of choice among graduates.

We hope you will encourage your eligible nursing students to apply for the scholarship, and we thank you in advance for your assistance in managing the process. Please post this flier where eligible nursing students can access the information. Feel free to make copies of this flier as needed.
