

FINANCIAL AID DEADLINES FOR ACADEMIC 2010 - 2011

In the "Institutional Information" column of the table below, are listed the dates by which we must receive all financial aid application materials in order to meet the deadlines of the various districts. Please check the date for your home district. By this date we need to have: 1) Your financial aid application; 2) your FAFSA results; and 3) your completed "District Financial Aid Application" **with your pastor's signature**. The other columns tell you what financial aid form (or forms) your district requires. If your district requires a special form, you can obtain it by contacting your district's financial aid officer. That information is listed on the back side of this form.

NEW STUDENTS PLEASE NOTE: *New students, whose applications for admission have not been accepted by the time of their district aid deadline date, may not receive district financial aid during their first year.*
