School of Business Sciences
Irvine Valley College
E-mail: dscott@ivc.edu
Office: 949-451-5545

Biographical Information:

As an individual committed to growth, Dr. Scott is a strong proponent of the integration of values, business, and education. He desires to make positive contributions in the education and development of others by helping develop creative learning and working environments. Dr. Scott's professional and academic experience highlights the value that intellectual resources have in the workplace when combined with the professional knowledge and practical skills needed to define, create, and deliver essential growth strategies in organizational settings.

As a leader with more than 19 years experience within ARAMARK, a Fortune 500 company that is a leader in professional services, Dr. Scott has enjoyed the opportunity to work with hundreds of employees in a variety of education, health care, and professional settings. As an instructor with over 22 years of teaching in higher education and professional training experience, Dr. Scott has played an active role in creating dynamic learning environments for college students and professional trainees.

As a lifelong learner, Dr. Scott has been able to take advantage of opportunities for personal, academic, and professional development and understands the challenges associated with maintaining balance between these spheres of development. Dr. Scott completed undergraduate work at Biola University, received a Master's degree in Business Administration from Concordia University, and a Doctorate in Business Administration from the University of Phoenix. Dr. Scott was recognized as an Honor Roll Recipient in the County of Los Angeles for his exemplary service while working at Biola University. During his career with ARAMARK, Dr. Scott received numerous awards of recognition including the Marion E. Wade Award of Excellence, for superior achievement in the areas of Service Quality, Management Control, Supportive Management, Financial Management, and People Development. Dr. Scott, his wife Mary, and youngest daughter Anna live in Irvine, CA with their energetic beagle, Chip.
