

**2024-2025: GLENDALE COMMUNITY COLLEGE
General Education Transfer Articulation Agreement**

The CUI General Education (GE) requirements do not have to be completed prior to transfer. CUI does, however, accept the following in place of all of the CUI GE requirements **except** the Q&I Core and Theology course requirements:

- IGETC (Intersegmental General Education Transfer Curriculum)
- CSU (California State University General Education Breadth Requirements)
- ADT (Associate Degree for Transfer)
- AA/AS (Associate of Arts/Science degrees which meet the CSU General Education Breadth Requirement)

Students who plan to enter CUI without completing an ADT, CSU, IGETC or AA/AS with CSU Breadth may take the courses below as noted to satisfy course-for-course alignment towards GE requirements. To be considered for transfer, courses must be completed with a grade of C- or better. View a complete list of Q&I Core requirements here:

<http://catalog.cui.edu/undergraduate/academic-information/general-education-requirements/> Also view Transfer Policies/Requirements on the website at: <https://www.cui.edu/studentlife/registrar/undergraduate-transfer-credits>

***Students with 29 or fewer transfer units prior to the first term of attendance, must take the following GE (Q&I) requirements at CUI: Biology, English Literature, History and Math.**

****NOTE: Students must take at least 1 Social Science course (ANT, ECO, PSY, SOC, COM 216 or COM 324) in answering the question, "How Shall I Live?" or the question, "Who Am I and Who Are They?"**

Students are strongly encouraged to review major requirements prior to selecting GE courses to identify courses that may apply to both GE and major prerequisites/requirements.

CONCORDIA UNIVERSITY IRVINE	GLENDALE COMMUNITY COLLEGE
One Biology Course including a lab <i>*This will not satisfy the GE requirement if transferring in less than 30 units. **Online science labs are not accepted in transfer.</i>	One course (including a lab) from: BIOL 101 General Biology I BIOL 122 Introduction to Biology
