

**College Level Examination
Program (CLEP) Credit**

Concordia accepts a maximum of thirty (30) non-accredited, credit by exam and/or military credits. Students who have previous knowledge from independent study and successful prior coursework may consider CLEP as an option. Students should always meet with advising on graduation and residency requirements to review if CLEP is an option. The CLEP subjects listed below are approved by department chairs for our course-for-course and/or elective credit when the minimum score is met. For more information visit [Types of Transfer Credits](#).
