To be completed by the applicant after consulting with his congregation and district.

In no more than 300 words, give a description of how you – while progressing through the CMC curriculum – expect to launch and develop a new culture-crossing ministry to those outside of your church. Be sure to include how you and your congregation are expecting to work together to carry this out.

It is then your responsibility to sign this form and obtain the signatures of your Pastor and a head lay leader of your congregation.

Those who sign below are affirming their support for the applicant's entrance into the CMC and their support for the kind of outreach ministry described above.
