

Degree Completion & Graduation Rates

To demonstrate the Program Learning Outcomes and Competencies, the MHA program provides the following completion rates for the past academic years, as well as the percentage of students employed within 90 days of graduation. Additional outcomes data, collected annually by CAHME, can be found on the [CAHME Accredited Program](#) page.

Outcome Data Report

Updated: November 12, 2025

Enrollment, Retention, & Graduation Rates

Academic Year Incoming Class	Newly Enrolled Students	Retention Rate*	Graduation Rate**
AY 2021-22	19	89%	84%
