☐ Traditional ☐ Online

*If you plan to attend another school concurrently, please submit the Parent School Letter Request Form for each semester you plan to attend at the other school.

By my signature, I acknowledge:

- Completion of this form does not qualify me for Veteran Educational Benefits. **It is my responsibility to submit this completed form along with all necessary paperwork.** My enrollment will not be submitted to the VA until I have been accepted for admission at Concordia University Irvine, enrolled in courses and have submitted my online Certification Request Form. Please check the necessary paperwork at www.cui.edu/veterans
- I understand that I will need to submit the online Certification Request Form for each term that I wish to be certified to the VA. Failure to submit this form on time may delay the tuition and fees payment to CUI, my book stipend and housing stipend (Ch 33 Post 9/11).
- It is my responsibility to notify the Veterans Certifying Official at CUI anytime I change my major, minor, or concentration. Failure to inform the Veterans Certifying Official of any changes to major, minor, or concentration may result in a delay of certification which may then result in a delay of payment.
- I will keep track of my educational benefits by registering for and checking the ebenefits.va.gov website. I take full responsibility to track the remaining number of days on my entitlement.
