Judicial Background:

All clubs and organizations are sponsored by the university, and therefore, a representation of who we are. We expect all clubs and organizations to uphold the reputation of Concordia as a Christian university and expect all of its leaders, members and professionals alike, to exhibit strong, moral character. At the same time, we as Lutherans believe in the grace and forgiveness that Christ offers us.

With that in mind, please tell us if any of the club officers have had any discipline problems (Housing, Dean of Students, Campus Security, Student Conduct, etc.). Articulate how this reflects the club and its reputation on campus. As part of the application process, the list of club officers and members will be reviewed by the Office of Student Conduct. The Office of Student Conduct has the ability to deny students participation in the club based on their student file.

Club Mission Statement:

(The mission statement includes the club’s purpose and its educational value at Concordia University Irvine)
