37TH ANNUAL GOLDEN EAGLE GOLF CLASSIC

GO GOLDEN

GO GOLDEN continues Concordia's promise to provide student-athletes with new facilities and resources that match their level of commitment to excellence. The new Golden Eagle Athletics Complex will house and train champions. Victory, however, requires sustained funding by our families, friends and fans. Each team faces increasing travel costs, coaching expenses, facility fees and equipment. By supporting the 37th Annual Golden Eagle Golf Classic, you will help provide the operational resources needed to compete and thrive in NCAA Division II athletics.
